

Dear Parents/Guardians,

This letter is simply to inform you of a very special trip that the GBC Youth will be taking in 2011. We are in the planning stages of a trip to Manila, Philippines. We are planning to enter the city landfill where over 330,000 people live. Our missionary Arvin Tulabot has a ministry feeding and training children in the dump.

I have included some information below that may be of benefit to you. We are limited in the number that can attend, so if you or your teen are interested in attending, please pay close attention to the schedule listed.

We will be having a meeting June 6th, following the morning service in the Fellowship Hall, which may help you understand the trip and goals a little better.

Thanks and God bless you.
