Dear Brother/Sister in Christ,

Here at Grace Baptist Church, we take the Great Commission very seriously. We do consider you and your ministry as a direct extension of our church. Currently, we are working to restructure our missions program. One of the goals is to have a better knowledge and understanding of the ministry into which God has placed you.

In an effort to begin meeting our goals in the restructuring process, we are sending you two things:

- A very significant questionnaire
- The Missions portion of Grace Baptist Church's constitution

Please answer each question on the questionnaire honestly and to the best of your ability as it pertains to your ministry right now. Then, send the completed questionnaire to us via regular mail or email. We will retain a written copy on file in our records. We regret that we cannot accept verbal responses.

By collecting a written copy of your questionnaire, we are substantiating the reconstruction of our missions program. Our goal is to verify that we are striving to work together with adherence to the doctrines and positions of Grace Baptist Church, Middletown, Ohio.

We are asking that your completed questionnaire arrive in our office no later than Monday, March 28, 2011. Thank you for taking the necessary time to complete your questionnaire. If you have any questions or require additional information, please feel free to contact me. You can reach me at the contact information listed below.

In Christ,
